Minutes were read by Secretary Nancy Bloomer Deussen and were approved.

Treasurer's Report was read by Karl Schmidt.

We currently have \$3,667.03 in our account
The April 2 Composers and Friends concert ticket sales were \$174.03
Our projected expenses are \$2,065.00
Our projected shortfall is \$1,025.00

We discussed making the \$75 concert fee mandatory and Davide suggested including it in the score call announcement. Discussed but not yet a formal motion. We need further discussion to confirm this policy. *Composers should contribute to C & F if we pay a pianist.

IRS- We are attached to NACUSA National and if our donations are marked "to SF Chapter" they will send them to us.
Nancy made a motion to increase our admission to \$20(adult) and \$15 (student and senior). Anne seconded and the motion was approved.
We need money and will send out a donation letter probably in the Fall.

Menlo Brass concert.

No dress rehearsal as they have been having individual rehearsals with composers. We rarely put anything in the program about the performers. We suggest they can send a one page BIO for the program or they can announce themselves. Sometimes this is beneficial for them to rest their lips.

Nancy will be in charge of refreshments
Davide and possibly Dale will do door
John will send a pdf program to national

CPE

We need a date for our Fall CPE concert.
We discussed Nov 12 and possible Nov 13 for a concert in Belmont at new venue mentioned by Karl -Good Shepherd Episcopal Church
This score call will include \$75 mandatory donation. The Belmont church is having a concert series every second Sunday of the month. The hall will be free but we will only need to pay musicians.
Our musicians will be flute, clarinet, bassoon and piano. This was passed in a motion.

Ives

We have a commitment for violin, cello and viola and they will provide pianist. Piano quartet or smaller. Cost \$2,500. Possible end of May, beginning of June.
