

Minutes for NACUSA SF Annual Meeting
August 13, 2017

Meeting was held at the home of John Beeman
Members present were: Nancy Bloomer Deussen, Herb Gellis, Anne Baldwin, John Beeman and Dale Victorine

Minutes from July 11 meeting were read by Nancy Bloomer Deussen
Herb Gellis will add CPE concert dates 11/11 and 11/12 to web site.
Minutes were then approved.

Treasurer's Report was read .
Chapter Balance is \$5,702.53
Cash at end of year will be \$3,534.53 (this is before concert receipts from upcoming two November concerts). Complete treasurer's report has been sent to web site.

We need to add cost of website (\$100) pr year. We decided to ask Karl to reimburse Herb.

Membership
We again discussed increasing our membership. We suggested posting a link of our Facebook page on the website and also to ask composers if they know of young composers, ask college teachers if they have students who might like to join. We had an extensive discussion on which Facebook page prospective members might use, if any, to enable a composer to join NACUSA. One is for information and discussion only so we need to clarify the situation.

NACUSA Composer's Competition
Composer's need to be enrolled as an undergraduate student up to the age of 25.
Includes counties in bay area including Santa Cruz. Award is \$200.00

Thinking ahead we discussed a possible summer festival sponsored by our chapter. Composers could attend from around the country. Nancy suggested they be NACUSA only but we left that open. We could have a name composer to lead workshops and chapter members as well as composers from the outside could also have their music performed.

Meeting was adjourned.

Nancy Bloomer Deussen
