Treasurer

Our revenue for ticket sales for two concerts was \$282.00

We discussed sending out a donation letter by the end of the year.

We need to pay Herb for web page as he has been paying for it himself.

Will also need someone eventually to take over web page as Herb is moving to Texas and it will be more difficult for him to handle it there.

Our bank balance is: \$6,609.53

Estimated cash at end of year: \$5,366.53

CPE Concert

We were generally pleased with CPE concert but there was one question about the diction of our soprano singer. Of course we always would like more people to attend.

Promotion and Publicity

John needs help with publicity as his load has been too large.

Deon Price offered for us to have at concert at the Presidio. Nancy will follow up on this.

Nancy will post NACUSA concerts on her Facebook page and also on CMMC page.

Karl offered to do posters and cards to relieve John.

We need one publicity person to do most of the work.

Composers and Friends 1 will be on Sunday Feb 11 at 3:00 PM at Good Shepherds Church in Belmont

Composers and Friends 2 will be on Saturday, April 7 at 8:00 PM at Foothills Presbyterian Church in San Jose.
